

# CPX

## Water Resistant Cargo Pants

- Water resistant and breathable cotton construction
- Features removable, zip-off lower legs for an easy conversion to casual wear shorts
- Kevlar® Armortex® panels are used as lining in the knees and seat to provide added protection
- Double stitched construction throughout
- Single button fly and spring loaded main zipper closure
- Large bellows cargo pockets on left and right legs
- Belt loops allow the secure addition of a waist belt

**WARNING!** Always wear protective riding gear and equipment when operating motorcycles. This Cortech CPX Waterproof Cargo Pant is not recommended for riding in the short pant configuration. Removing leg pieces precludes minimal protection. No protective gear can prevent all injuries a rider might receive while riding. Obey all speed and safety laws.
